2020...a very different year for all...

we were connected
but had to keep
distant...

Goal Types

we had to be
creative in
connecting
safely...

it was hard not doing
all the things we are
used to doing...

Thank you. Community Living is the best place for (Participant). She has come a long way. So glad you people are here. I don't know how I would do without you.

but we were still able to
achieve some goals.

we went for a lot of walks.

we chatted by phone
& video.

we started to throw & catch hugs.
